

Pastry Puffins Baking Instructions

- 1) Place oven rack in the middle position
- 2) Preheat oven to 375° F (oven must be fully pre-heated).
- 3) Break off the desired number of Puffins and place them on a lightly greased, non-insulated metal pan with at least 1" sides.
- 4) Bake the Puffins at 375° F for 25-30 minutes until light brown on the top (oven temperatures may vary therefore adjust baking time and temperature as necessary).
- 5) Let Puffins cool and then place on a serving tray (CAUTION: fillings will remain extremely HOT for up to 15 minutes after baking).
- 6) Cut corner of frosting packet and drizzle over Puffins.
- 7) ENJOY!
